

EARTH WIND & FIRE

Part
3

Shining Star

This past weekend Pastor Ken continued his five-week series entitled, Earth, Wind, and Fire. The Book of Acts is filled with stories about the wind of God and the Fire of God and how they touch the earth in the life of the early church. Over these weeks, we invite you to journey with someone at work, your family, or find a place to do it alone or with a friend. Let's grow and do life together during this series.

1. The most unlikely person in the First Century to become a follower of Jesus would be Saul. He was on a mission to destroy the church and to hunt down the followers of Jesus (read Acts 9:1-21 The Message). Yet he ends up becoming a shining star in the Kingdom of God. Who is the least likely person you know?
2. Who is on your heart? Who are you praying for? No one is beyond the grace of God, even the worst of sinners (read 1 Timothy 1:15). Stop and pray for the person/persons that you are burdened for.
3. Jesus is not the author of every crisis in your life but He is always there to meet you in the crisis. On the road to Damascus, Saul meets the Bright and Morning Star (see Revelation 22:16) who is Jesus and his life was changed. What do you need to embrace in your life so you can begin a new chapter in your life?
4. When Saul gave his life to Jesus, God changed his name to Paul. The Holy Spirit who we are learning about this month took his identity, redeemed, restored, and released it for the cause of Christ. How does God want to redeem and restore you into the best version of you?
5. On the road to Damascus, Paul asked Jesus "what do you want me to do." Right now you can pray and ask that same question. So, pray and ask God to use your ability, gifts, talents, passion, and personality to become all that He created you to be in order to bring Him honor and glory.
