Renewing Your Mind

This past weekend Pastor Ken finished his four-week series entitled, Battle for the Mind. We looked at how our thoughts shape our reality and how to get real about shaping our thoughts. Over these weeks, we hope that you got to journey with someone at work, your family, alone or with a friend.

... be renewed in the spirit of your mind, Ephesians 4:23

1. By changing the way we think, by the grace of God we will win the battle. The first way to change the way we think is to look at your situation in a different way because it will give it a whole new meaning.
2. Ask God to help you see that He is with you, He is for you, and everything will work together for your good and His glory (read Romans 8:28).
3. Second, what you expose your mind to over and over has a way of shaping how you think. Therefore, what you feed your mind on a steady basis can transform your life (read Psalm 1:2-1).
4. The third thing that Pastor Ken shared is to reprogram your thinking (read Romans 12:1). God wants to renew the way you think through prayer and the Word of God.
5. We need to tell ourselves the truth, focus on the god, and let God renew your mind (read Isaiah 26:3). Are you battling with anything in your mind right now? Remember God is bigger than your problems and He can fill your mind with hope and renew it right now. Just reach out and ask Him to.
