

“Legacy Language”

Part 5

Attitude of Gratitude

This past weekend Pastor John finished our celebration of the history of our church in our series, Legacy Language. Did you know that our church family has been here for 54 years? That’s 2,808 weekends of sermons preached! In all of the words that have been said in all of those sermons, there have been a few key phrases that have shaped who we are as a church family- our legacy language. Over these weeks, we hope that you got to journey with someone at work, your family, alone or with a friend.

Gratitude is the attitude that will determine your altitude.

1. Never forget where you came from and what God has done for you (read Judges 8:33-35). As we forget what God has done for us, we become hardened and unappreciative of what God has done.
2. Attitudes are not the results of things that happen to us, they are a result of how we choose to respond, react and feel about the things that happen to us. It’s up to you what kind of attitude
3. We should always focus on the good (read 1 Thessalonians 5:18; Ephesians 5:20; and Romans 8:28). Gratitude is the key to convert problems into blessings. Stop and think of a list of ways that God has been good to you. Now tell Him: “Lord, thank you for being so good to me.”
4. Choose today to have an attitude of gratitude in all things and for all things.
