# A Vision of the Future

This past weekend Pastor Ken continued the series entitled, Courageous. We are looking at the life of Daniel and his example of courage. Over these weeks, we invite you to journey with someone at work, your family, or find a place to do it alone or with a friend. Let's explore together how to be courageous during this series.

*In my vision at night I looked, and there before me was one like a son of man, coming with the clouds of heaven. He approached the Ancient of Days and was led into his presence. He was given authority, glory and sovereign power; all nations and peoples of every Language worshiped him. His dominion is an everlasting dominion that will not pass away, and his kingdom is one that will never be destroyed.*

Daniel 1:8

1. Jesus used these words to speak about himself and refers to Himself as the Son of Man. What a great day to look forward to when Jesus returns to take us home (read Mark 14:62).
2. What would a better future look like for you? To get out of debt or to find a job or maybe to conquer a habit. Whatever it might be, you need to have a goal or a dream or a vision to help you to focus. At the end of this year you can look back and say "look what the Lord has done."
3. Offer yourself to God in surrender this year and ask Him to help you to find a goal that you can pursue or a dream that you can go after or a vision for your future (read Romans 12:1-2). Ask Him to help you see it. Maybe it will happen while your praying or reading your Bible. He could also show you through your friends or church or possibly the brokenness around you that you see. God can help you to see more than you could ever see on your own (read Judges 6:11-16). Let's decide to be courageous in 2020 together.
4. Once you have a vision you have to protect it. The enemy will try to steal it (read John 10:10) but be ready when he shows up to guard it.
5. This new year and this new decade, what do you see, what is the next hill that you need to climb? Your best days are ahead of you. Do you believe that? If not ask God for the courageous to see it.
