Our Daily Bread

This week Pastor Ken continued the series called Living on a Prayer. We are looking together at a prayer that we can live our life by. It is the pattern that Jesus gave us known as The Lord's Prayer. So gather some friends or family or go through these points alone each week and let's grow together.

This, then, is how you should pray: "Our Father in heaven, hallowed be your name, your kingdom come, your will be done, on earth as it is in heaven. Give us today our daily bread. And forgive us our debts, as we also have forgiven our debtors. And lead us not into temptation, but deliver us from the evil one."
Matthew 6:9-13

1. When we say we feed off someone it means you receive something from them. In the most profound way when we ask for the bread of life and we feed off him, we receive the life that only comes from him (read Matthew 4:4 and John 6:35). The more that we digest who he is and what he does, the more we feed on Him, the more we will know the life that only comes from Him.
2. When we pray this part of the prayer (give us our daily bread) we recognize that God is the source of the bread (read 1 Corinthians 4:7). When you remember He is the source, it leads to a heart of gratitude for every single blessing (read Psalm 107:1 and 136:1).
3. When you pray, ask God for the bread that you need but spend time listening to God and see if there is something He wants you to do. When you do your part, and he does His part, this is how bread shows up.
4. The connection that God wants to have with you is a "daily" talk with Him. When we come to have this daily talk, we are learning to trust Him, to depend on Him and he gives us what we need for that day.
5. When we pray this prayer we put ourselves in a position to receive from God the fresh bread that He has for us today. It is not the bread of yesterday or tomorrow, but today. What do you need from Him today?
