

**See A Victory/ Never Fail Medley**  
**May 9<sup>th</sup> and 10<sup>th</sup>, 2020**

**Verse 1**

The weapon may be formed, but it won't prosper  
When the darkness falls, it won't prevail  
'Cause the God I serve knows only how to triumph  
My God will never fail  
Oh, my God will never fail

**Chorus**

I'm gonna see a victory  
I'm gonna see a victory  
For the battle belongs to You, Lord  
I'm gonna see a victory  
I'm gonna see a victory  
For the battle belongs to You, Lord

**Verse 2**

There's power in the mighty name of Jesus  
Every war He wages He will win  
I'm not backing down from any giant  
'Cause I know how this story ends  
Yes, I know how this story ends

**Chorus 2:**

I'm gonna see a victory  
I'm gonna see a victory  
For the battle belongs to You, Lord  
I'm gonna see a victory  
I'm gonna see a victory  
For the battle belongs to You, Lord  
I'm gonna see a victory  
I'm gonna see a victory  
For the battle belongs to You, Lord  
I'm gonna see a victory  
I'm gonna see a victory  
For the battle belongs to You, Lord

**Bridge**

Gonna worship my way through this battle  
Gonna worship my way through, hey

You take what the enemy meant for evil  
And You turn it for good  
You turn it for good  
You take what the enemy meant for evil  
And You turn it for good  
You turn it for good  
You take what the enemy meant for evil  
And You turn it for good  
You turn it for good  
You take what the enemy meant for evil  
And You turn it for good  
You turn it for good  
You take what the enemy meant for evil  
And You turn it for good  
You turn it for good  
You take what the enemy meant for evil  
And You turn it for good  
You turn it for good

### **Chorus 2:**

I'm gonna see a victory  
For the battle belongs to You, Lord  
I'm gonna see a victory  
I'm gonna see a victory

I'm gonna see a victory  
I'm gonna see a victory  
For the battle belongs to You, Lord  
I'm gonna see a victory  
I'm gonna see a victory  
For the battle belongs to You, Lord

### **Bridge 2**

You take what the enemy meant for evil  
And You turn it for good  
You turn it for good  
You're turning it around  
You take what the enemy meant for evil  
And You turn it for good  
You turn it for good, oh

The wicked are out  
The wicked have fallen, Lord
