

# SERMON OUTLINE

Part

## The New Normal

**You have to lose in order to win** - Paul chose to lose what was impressive to gain what is most important

*For those who want to save their life will lose it, and those who lose their life for my sake will save it. What does it profit them if they gain the whole world, but lose or forfeit themselves?*  
— Luke 9: 24

**You have to die in order to live** - What is important is the least impressive

*For if you live according to the flesh, you will die; but if by the Spirit you put to death the misdeeds of the body, you will live.*  
— Romans 8: 13

**You have to press on...even though you know you won't accomplish it...fully** - The Process is just as important as the finished product

*I don't mean to say I am perfect. I haven't learned all I should even yet, but I keep working toward that day when I will finally be all that Christ saved me for and wants me to be.*  
— Philippians 3: 12
