Courage to Dream Again

This week Pastor Ken started a new series called *Dream Again*. We will look together at the Biblical principle of the birth, death, and resurrection of a dream and how to dream again after a very difficult year. So, gather with your family or go through these points alone each week and let's grow together.

*Now to him who is able to do immeasurably more than all we ask or imagine,
according to his power that is at work within us.* Ephesians 3:20

1. One of the casualties of 2020 has been our ability to dream. We need to dream again because everything starts with a dream. Doesn't matter if it was an invention, a business, a ministry, a book, or any other accomplishment, it started with a dream.
2. The entire universe started in the mind of God (read Hebrews 11:3 and Ephesians 1:4).
3. In order to dream again it takes courage. Last week Dr. Wayne encouraged us to do courageous things (read 1 Corinthians 16:13).
4. During this season of prayer and fasting let the Holy Spirit inspire you to dream a new dream. Let Him resurrect your dreams and your ability to dream. What is your dream? Is it to finish school, overcome an addiction, change careers, find a spouse, or have a better marriage and family? Whatever it is, have the courage to dream again (read Jeremiah 29:11).
