Protecting Your Dream

This week Pastor Ken continued the series *Dream Again*. We are looking together at the Biblical principle of the birth, death, and resurrection of a dream and how to dream again after a very difficult year. So, gather with your family or go through these points alone each week and let's grow together.

*Now to him who is able to do immeasurably more than all we ask or imagine,
according to his power that is at work within us.* Ephesians 3:20

1. A dream pulls out your promise and your potential (read Proverbs 29:18). You shape your dreams and then your dreams shape you, therefore you need to guard your dreams.
2. Refuse to let your past rob you of your dreams (read Luke 22:31-32). Jesus is praying for your comeback and He will take the pain you have been through and use it to bring strength and hope to others.
3. Refuse to let the people around you rob you of your dreams (read Genesis 37:19-20). Not everyone will be thrilled about your dreams and they will try to pull you down with their words and actions, but don't let them stop you from dreaming.
4. Refuse to let fear inside you rob you of your dreams (read Joshua 1:9). Whenever you have a dream that is outside your comfort zone you will feel some fear. So, you will need to remember that God is with you and He will give you the courage you need to fulfill any God-sized dreams in your life.
5. What are the dreams that God has put in your heart? Who are the people around you that have pulled you down in the past? Make a commitment today to start to dream again and to protect the dreams that God has put in your heart.
