What would Jesus stream?

Part
2

Throwback Mix

This week Pastor Ken continued the series *Soundtrack*. Jesus grew up knowing and singing the Psalms and it is our prayer that as we look together at how you can experience them too that you will be blessed. So, gather with your family or go through these points alone each week and let's grow together.

I will announce what the Lord has promised. He said to me, 'You are my Son. Ask me, and I will give the nations to you.' Psalm 2:7-8 NIRV

1. Some people say the key to finding your identity is to look inside yourself. But what we really need to do is to look outside of ourselves to Jesus. When you understand who Jesus is, you will understand who you are and when you know who you are you will know what to do.
2. Jesus is the Son of God that the writer of Psalm 2 is talking about. Please read Matthew 3:16-17; 16:13-17; 26:63-64, and 27:54 which tells us who Jesus is and His resurrection is proof that these claims are true.
3. God has given each of us, just like Peter, the freedom to answer the question, "who do you say I am" (read John 1:12). God doesn't have grandchildren, only children. Today, is your opportunity to say Jesus I believe that You are the Son of God and I receive you as my Lord and Savior. Are you willing to do that, if so, say this prayer to Him?
Dear Jesus, I know I'm a sinner and need a Savior. I believe You took my place and died on the cross for my sins. I ask that You please forgive me, and I repent from my sins. Come into my life and help me to start living for You. I love You, Jesus. Thank You for loving me first. Amen.
4. How would living in the reality of what Jesus Christ has done for you alter your week from the start of the day to the end of the day? Decide to walk in that awareness this week.
