What would Jesus stream?

Part
5

The Party Mix

This week Pastor Ken continued the series *Soundtrack*. Jesus grew up knowing and singing the Psalms and it is our prayer that as we look together at how you can experience them too that you will be blessed. So, gather with your family or go through these points alone each week and let's grow together.

*Lord, our Lord, how majestic is your name in all the earth!
You have set your glory in the Heavens.* Psalm 8:1

1. What are some things that we can learn from Christ's Triumphant Entry into Jerusalem on what is known today as Palm Sunday? First, we see the power of the claim He makes. He lets us know that He is the King the world has been waiting for (read Matthew 21:1-11).
2. Jesus fulfilled 48 different prophecies and many of them are found in the book of Psalms (read some examples here: 41:9, 22:16-18, and 69:21). No one can fulfill those many prophecies unless they were truly the King, the long-awaited Messiah. So, the question today is will you let Jesus be the king and take control of your life?
3. Next, we can see the power of the purpose he has (read Psalm 118:26) which raises our aim. We ask for peace and He gives us a peace that surpasses all understanding (Phil.4:7). We ask for joy and He gives us joy unspeakable and full of glory (1 Peter 1:8). When we ask or imagine something, He does more than we could ask or imagine (Eph.3:20). Where does God want to raise your aim today?
4. Another thing we can learn from the Triumphant Entry is the power of praise He receives. He deserves the praise and we were created to praise Him. When you think about how good God has been to you and how He has saved you and you begin to praise Him, it changes the atmosphere around you and what is going on inside of you (read Isaiah 61:3).
5. End with some praise for what God has done for you and through you. Time to party.
