Recovering Family Ties

This week we continued the series *Recovery Plus*. This last year there was so much that was lost but the God we serve is a recovery plus God. We are looking together at how to recover what has been lost by God's grace and mercy. So, gather with your family or go through these points alone each week and let's grow together.

The Lord says, I will give you back what you lost... Joel 2:25 NLT

1. Pastor Ken talked about the family and keeping God at the center of the family. Lauren then discussed the importance of love (read John 15:9-12). How do you show love in your family?
2. Pastor Esther encouraged us to build a legacy of faith in your children so you can to let go and let God take care of your family (read Proverbs 22:6).
3. Pastor Irene talked about how our culture nowadays finds it okay to dishonor people, but God wants us to honor others (read Romans 12:10) by showing them value, worth, and importance. Is there someone in your life that you need to reach out to and to honor them?
4. Pastor Shelly shared the story of the servant girl Hagar found in Genesis 16 who came upon hard times and learned through her experience that God is *El Roi*, "the God who sees." We have all felt invisible at some point in our walk with God. But God sees your pain, he is not blind to what you are going through. Is there something at this time that you are facing that you can bring to Him? God will make sure that you have a safe landing.
