## Recovering Spiritual Passion

This week Dr. Wayne continued the series *Recovery Plus*. This last year there was so much that was lost but the God we serve is a recovery plus God. We are looking together at how to recover what has been lost by God's grace and mercy. So, gather with your family or go through these points alone each week and let's grow together.

*The Lord says, I will give you back what you lost...* Joel 2:25 NLT

1. Spiritual passion is recovered when we center ourselves in God who has all power, knows all things, and can do all things. We wholeheartedly give our all to Jesus (read Luke 24:32; Jeremiah 20:9; and Colossians 1:15-17).
2. God knows all things (read Job 34:21). Is there something that you need God's help with at this time?
3. God is in all places (read Matthew 28:20). There is no place you can go to get away from God. God has all power (read Matthew 19:26). Even though we can't see Him, He's always there, always working, and giving you reasons to trust Him. What do you need to trust God for today?
4. When we hold out on God, we will not have the power, the joy, the intimacy, and the passion that we should have, Jesus went all in -- He died in your place. He didn't hold anything back. We are called to go all in too. What is most important to you? What do you find your identity and security in? We have to make sure our identity and security are in the cross of Jesus.
5. Spiritual passion builds when we're all in. What is it that you need to do so you will be all in?
